

Zeta Resources Half Yearly Report & Accounts

Zeta Resources is pleased to announce its Half Yearly Report & Accounts for the six months ended 31 December 2020. Key highlights include:

- Investment returns of US\$66.4m (2019: US\$12.1m)
- Total comprehensive income of US\$54.9m (2019: US\$2.9m)
- Profit per share US 19.1c (2019: US 1.0c)

Dugald Morrison, Fund Manager commented: “Commodity prices had a strong six months. The strongest performers were copper and nickel, which are benefiting from improving industrial demand and the emergence of electric vehicles demand. The share price of Zeta’s largest investment, Copper Mountain Mining, nearly tripled during the period. With good exposure to copper, nickel, bauxite and gold, Zeta’s net assets more than doubled in the six-month period from US\$51.6m to US\$106.5m ”
